

Design Change Notice

Document: dcn20210302_New product + phase out AS-x18+ AS-x27_19-518

Prepared by: 2021-03-02 Weisskopf, Urs

Approved by: 2021-03-02 Würgler, HP

Revision: 1 Page: 1/1

New product AS-P, AS-PV, AS-C sizes 18 + 27 with aluminium housings Phase out of AS-P, AS-PV, AS-C sizes 18 + 27 with welded housings

The welded housings were offered for many years. We decided to replace the welded housings with aluminium housings. The elements with aluminium housings have new part numbers. The elements with welded housings will be removed in future catalogues.

New articles with aluminium housings:

Part number:	Part name:	Weight [kg]:
07 081 012	AS-P 18	0.6
07 091 012	AS-PV 18	0.6
07 081 013	AS-P 27	1.2
07 091 013	AS-PV 27	1.2
07 071 012	AS-C 18	0.3
07 071 013	AS-C 27	0.8

Affected phase-out articles with welded housings:

Part number:	Part name:	Weight [kg]:
07 081 002	AS-P 18	0.7
07 091 002	AS-PV 18	0.7
07 081 003	AS-P 27	1.5
07 091 003	AS-PV 27	1.5
07 071 002	AS-C 18	0.5
07 071 003	AS-C 27	1.0

Form, fit and function:

- Form, fit and function are equivalent for the new articles.
- Appearance is slightly different: AS-P 18 and AS-PV 18 holes in flange $\varnothing 9$ instead of $\varnothing 9.5$.
- New articles are lighter in weight.

Proceeding:

- The new products are available from now.
- The old products are still available on request for a certain time (approx. 2 years). Lead times will become longer.
- Changes of "customer specific" and "modified standard" parts to the aluminium version: You will individually be contacted in time for change requests.
